

GENERAL SCHOOL INFORMATION MAIN CAMPUS 2010-2011

MISSION/VISION: Brookfield School provides a setting where young people prosper in thought and imagination, in competence and character, as individuals, and as members of a school community. Brookfield School is committed to the overall development of each child. To this end we provide strong academic instruction in the basic skills as well as a wide variety of cultural and aesthetic experiences within a success oriented program.

Brookfield School will continuously be engaged in developing the model school of academic excellence dedicated to student safety, responsibility, empowerment and the democratic process. We envision a place where every student feels successful. From this feeling of success, comes motivation and a love of lifelong learning.

Brookfield School fully subscribes to and practices a policy of nondiscrimination admission and enrollment. No applicant or enrolled student shall be discriminated against because of religion, sex, disability, race, national or ethnic origin. Brookfield School is licensed by the Nevada Department of Education and Nationally Accredited with NIPSA (National Independent Private School Association).

TUITION: We understand by September 7th you have paid Aug. and Sept. tuition and consumables. Tuition is based on the 180 day school calendar, not a monthly allocation. Brookfield is solely tuition funded. Tuition pays for Teachers salaries, building overhead, and capital improvements on the properties. Tuition is divided into ten equal payments August through May.

Please remember, our school depends on adult volunteerism for all programs. We appreciate any time donated to the school! We consider parent time a significant non-financial contribution.

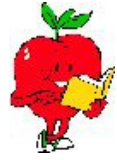

CONSUMABLES/ENRICHMENT FEES: The main campus fee supports the extras students will get throughout the school year. Specialty Instructional Costs include: Art, Music, Physical Education, Foreign Languages, Curriculum, Instructional Materials, Workbooks, Art/Science Supplies, Accelerated Reader, Early Literacy, standardized testing for every student.

OPTIONAL STUDENT ACCIDENT INSURANCE: If your child needs coverage, student accident insurance is optional at \$100.00 for the year. This medical coverage will pay for any injury to the child during the school day. The insurance enrollment period is during the month of September only. This item can be added to your bill, or make a check clearly marked for insurance payable to “Brookfield School.”

GENERAL SCHOOL INFORMATION MAIN CAMPUS 2010-2011

AFTER SCHOOL ENRICHMENT PROGRAMS: Teacher Supervised Homework Clubs Monday thru Thursday which are available to all students on campus after school. Homework Clubs are part of after school care. Other enrichment programs run by outside providers include; "Brookfield Choraliers", Taekwon-Do, "Kidscape"- Drama, Spanish, French, Italian, Tennis, or "Tumble Bus." Private music instruction is available. All are welcome to come and try the classes free on the first day they are offered. Sign up forms will be available at the parent reception on the first day of school and in the office thereafter.

PTA FAMILY MEMBERSHIP: If you are wondering how to become involved in your child's school year, joining the PTA is a great beginning. Membership costs \$20.00 per family. The PTA is very important to our Brookfield community. They meet monthly and do so many wonderful things to benefit your child, and their classroom. They fulfill teacher wish lists and volunteer time in such programs as Library, Skiing, and Hot Lunch. PTA charges are NOT on your August bill, and payment is your choice. Please issue a separate check for PTA annual dues (\$20.00) made out to "**Brookfield PTA.**"

MILK / CATERED HOT LUNCH PROGRAM : You may order milk for .50 cents a day, or \$90.00 annually. This can be added to your bill. There is no hot lunch program at this time, but PTA and Brookfield are working on it.

MAIN CAMPUS MATH LAB AND READING LAB PROGRAM: We will have math and reading labs again this year! Details, costs, and schedules are to be announced. The math technology program is an on-line distance-learning course. Students can work at their own pace both at home and at our lab. Both our Reading and Math Labs are small classes offered to selected students. Any students wishing to participate will have to meet our entrance requirements. Limited enrollments are available.
