

## Brookfield House Account Information Form

• Obtaining a house account with Qdoba Mexican Grill allows for easy ordering and payment. Participants need only to provide their organization's house account number to the store when ordering, and will then be billed on a monthly basis. Qdoba Mexican Grill reserves the right to include house account participants in special promotions (e.g. holiday catering discounts, etc.).

• To participate, simply fill out the House Account Information Form and fax it to 775.322.7944, or email it to [cquatro@bladowerprises.com](mailto:cquatro@bladowerprises.com) Attn: Christi Quatro. Once information is received, Christi will verify the information sent and provide the parent with their house account number.\*
