SPANISH IMMERSION INITIATIVE – Pre1st – 6th Grades

Dear Parents,

Bienvenidos a nuestra clase nueva de español! Welcome to our new Spanish class! Brookfield is again moving ahead with the start of our new Spanish immersion classes. We are very excited to offer this special program with Spanish immersion- the most effective way to achieve fluency in Spanish with focus on listening and conversational skills.

Our goal is to immerse your child in Spanish language activities in a fun-filled nurturing environment.

Our classes will be divided into two sections. Section one will be offered to Pre-first and First grade students with a limit of fifteen students. This session will run Monday through Thursday from 3:00 p.m. to 3:30 p.m. It will be taught by Mrs. Keppelmann who is an experienced language teacher. Mrs. Keppelmann has been teaching Brookfield French and Spanish classes, PS-8th grade, for eight years.

Section two will be offered to grades two through six. It will also be limited to fifteen students. This session will run Monday through Thursday from 3:30 p.m. to 4:00 p.m. This session will be taught by Ms Hayes who taught Spanish classes last year at our school and who also taught summer Spanish classes.

The Spanish program will run from September 6th through January 26th, and it will continue for the entire year pending enrollment and teacher availability.

The cost of the first semester is \$365, which is only \$5 per class. Payment may be made in full in advance or with four payments of \$95 each. The second semester will run from January 30th through June 7th with a cost of \$335.

Since our classes will be limited to fifteen children, we will offer enrollment on a first come, first serve basis. Please call the school (825-0257) or come into the office to reserve your child's placement. Since this is our premier endeavor in total Spanish immersion classes, we anticipate a lot of interest. So don't be left out, sign up now!

Sincerely,

Mrs. Murray, Director
